

Licking Heights Marching Band

Summer 2009

All Band Members including percussion must return this form. Percussion will have some additional practices announced by Adam.

Part of the marching season includes summer rehearsals. These practice sessions are designed to teach and practice necessary skills for marching as well as rehearse music for the 2009 season. Attendance is vital to the individual development and ensemble cohesiveness. However, we do understand that summer is a time for family vacations, activities, camps, 4-H shows, etc. We ask that all members attend every rehearsal whenever possible. To assist us in planning, please return the following form to Mr. Shook, Ms. Costa, or Mrs. Steele. Mark those dates that you will be unable to attend rehearsal. If you will be able to attend all rehearsals, then just return the signed form blank.
